Board Work Session

2018-2019 Staffing Plan: Mr. Power presented a breakdown of the 2018-2019 staffing plan to Board members and explained that enrollment numbers are driving the requests to hire classroom teachers. He said he was requesting 9.5 net additional positions based on Oct. 2017 numbers. These include one first grade and one second grade teacher at Harlan-Butlerville Primary School, one first grade teacher at Hamilton-Maineville Primary School, one fifth grade and one sixth grade teacher at LMIS and one social studies teacher at the high school. He said he was also requesting one additional maintenance staff member and one central office administrative assistant.

The Board then discussed the staffing plan as it pertained to the district's five-year forecast in the short term and in the long term. Mr. Haas commented that the Board needed to weigh these staffing requests with the need to stay out of a deficit situation on the five-year forecast. He told Mr. Power that the Board would not be approving the staffing plan at this meeting, but would need more time to consider his request.
